

Our Dream

A dream to be independent and to pass on their knowledge has led husband and wife team of Melanie and Jarrad Mitchell to undertake this exciting venture. Working from their home in Darwin they are responsible for the creation, manufacturing and distributions of this special range.

Jarrad Mitchell

Grown up in Kakadu, Jarrad has strong traditional ties to family and country of the Kakadu region. During this time Jarrad has gained generations of knowledge about traditional medicinal plants and food.

Tribe: Bunitj/Gamulkban

Area: Kakadu and Arnhem Land, Northern Territory

Melanie Singleton-Mitchell

Originally from Cairns Melanie has lived in the Top End for the past 7 years. She regularly returns to visit her family in North Queensland. Having lived out bush for some years with 4 young children, she felt it was time to do something different that will benefit her family as well as creating further employment for our people.

Tribe: Yirriganydji and Kuku Yalaji

Area:

Cairns, Port Douglas and Mossman, Queensland

Our Culture

Encompassing the Essence of Kakadu, our unique combination of ochres and natural oils from Australian plants are harmonised in these distinctive products.

Well known by indigenous cultures for their special value in general skin conditioning, these plants and ochres have been used by countless generations.

We are now proud to be able to offer you these natural skin conditioners in a familiar and easy to use product range.

Dry Season Bath Salts to spoil your body with the added botanical of water lily petals.

Relaxation Bath Salts to relax the mind and body.

Invigorating Bath Salts to wake you up in preparation for a big night ahead.

Our uniquely Australian Ingredients

Ochre has been used by aboriginal people for thousands of years for rock and bark paintings as well as body painting. It is worn as body paint for ceremonial dancing and also used for spiritual and physical cleansing.

Sugarbag is Native Bush Honey made by Native Australian Stingless Bees. This honey has been used for thousands of years by aboriginal people, mainly as a food source but is well known and renowned for its skin healing abilities.

Water lily was mainly used as a food source, the stems were used in cooking and the seeds were ground into flour to make bush bread. Their stalks juices were used for medicinal purposes.

All our essential oil ingredients are 100% Australian & are well known for their medicinal values.

A Gentle Massage

The massage oils are high grade oils that are used by masseurs and are highly recommended for everyone. There are two different types.

Relaxation Oil to relax the mind and body.

Invigorating Oil to rejuvenate and release stress build up.

Refresh Your Skin

The hydrating lotions are light and non greasy and especially formulated for the tropical weather. Each one contains Vitamin E that protects the skin from aging and UV damage.

Sunrise Hydrating Lotion has the essence of lemon scented tea tree and provides good relief for any mosquito bites whilst nourishing the skin.

Sunset Hydrating Lotion assists in reducing skin irritations and has a cooling effect on the skin whilst nourishing the skin.
